

M&S Bank Certificates of Deposit and IRA Products Rate Chart
Member FDIC

This Rate Chart contains information about interest rates and annual percentage yields (APYs) for our Certificates of Deposit and Individual Retirement Account (IRA) products. The minimum balance required to obtain the interest rate and annual percentage yield for any product listed below is the same as the minimum opening deposit. Interest rates may change upon any maturity and at the discretion of M&S Bank. The APY assumes interest remains on deposit until maturity. A withdrawal of interest prior to maturity will reduce earnings. Fees could also reduce the earnings on any account. Fees, if any, are described in our consumer product brochures. A penalty for early withdrawal may apply to any of the certificates of deposit or IRA products listed below.

Product Name and Maturity Period	Minimum Opening Deposit	Interest Rate	Annual Percentage Yield (APY)
Certificates of Deposit:			
Certificate of Deposit (30-60 days) not available for IRAs	\$1,000.00	0.25%	0.25%*
Certificate of Deposit (61-90 days) not available for IRAs	\$1,000.00	0.25%	0.25%*
